Year-to-year progress in English language arts and mathematics.

Academic Success

ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

MATHEMATICS

Students meeting state grade-level expectations.

SCIENCE

Students meeting state grade-level expectations.

School Goals

Our school is committed to providing well-rounded learning experiences for each child and to making each child feel safe and connected to a caring adult while at school. The addition of expanded elective options and extracurricular activities will result in higher student engagement, and lower chronic non-attendance. Utilizing transformational social-emotional learning strategies through restorative justice practices, we will create healthy learning environments that foster a climate of safety, caring and respect, and result in improved student academic outcomes.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Jo Lane strives to ensure that all students and parents feel welcome. We work to make our offices inviting and to have processes in place which help make interactions with the school helpful and efficient. We want everyone to be safe from harm, both physical and emotional; we are responsive when situations arise. During parent-teacher conferences and other school events, interpreters are available so that everyone has access to the information being shared.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all of our students, our school utilizes PBIS. Our PBIS team works with students, counselors, staff, and parents to support all students and respond to incidents of bullying. We proactively teach social-emotional and communication skills so students are more adept at positive conflict resolution and acceptance of others. These skills are taught and reinforced to all students while additional supports are provided to students who may need them.

EXTRACURRICULAR ACTIVITIES

- Athletic Teams
- Drama
- Technology Classes
- Band
- Leadership
- Yearbook
- Robotics Club
- Anime Club
- Journalism
- Woodshop
- Basic Electricity
- Choir
- Fine Art
- Applied Art
- Musical Production

PARENT ENGAGEMENT

We have a very active Parent Booster club that meets monthly to plan for activities that engage our families. As a school, we host events multiple times a year that bring our families together. Many of our families volunteer during the year and/or attend events that take place during the school day.

COMMUNITY ENGAGEMENT

We partner with local business to provide students with learning opportunities in connection with our community:

- Umpqua Art Center
- OSU Extension Service
- Police and Fire Department
- Wildlife Safari
- Oregon Healthy Kids Program
